My Quick Start Guide For 2018-2019 School Year

Sometimes all it takes to have a much better homeschool year is to make a few small changes and to get a clearer perspective of what's truly non-negotiable for your family. Take a few minutes to think through and write down what you believe are your three "Quick Start" elements that will help you get off to the best start and to have the best homeschool year ever! There were three ideas given in this week's video that may make perfect sense to you. Still take the time to write them down and note what they would look like in your home and homeschool.
