

## Prayers for my children

Several years ago, God burdened my heart that I was not praying His Word over my children like I should, so I started looking for resources and verses that I could use during my prayer time to help organize my thoughts and to make sure I was praying God's will for them. I have notebooks full of notes, verses, and prayers that I have prayed for them—and for my husband, myself and many others. I have compiled several of them here and I pray this guide will be as much of a help to you and your family as it has been to me and mine. ~Leslie Nunnery
