

I know that when I am preparing to go somewhere I always make a list to make sure I don't forget anything. So to help out some of our families we have made a checklist showing what you need to attend our events. :)

- ❑ [Register](#) for the Teach Them Diligently event of your choice and download a [What To Expect Ebook to help you prepare](#).
- ❑ Make your [reservation](#) at the TTD host hotel. The deadline to reserve your room is early in March, so don't delay. *(Staying at a TTD host hotel is truly the best way for you to fully enjoy your TTD experience. The blessing of the convenience of staying on-site is hard to overstate. You will find hotel information near the bottom of each convention page.)*
- ❑ Invite your friends to join you by sharing your [Refer-a-friend link](#). (The Teach Them Diligently Refer-a-friend program is a great way to invite your friends to join you at TTD2019 while earning TTD Bucks to spend on the curriculum and resources you need in the Exhibit Hall. Your refer-a-friend link can be accessed easily this season by [clicking here](#) and typing in the email address on file.)
- ❑ If you have a sophomore, junior, or senior in high school, make your plans to participate in the [Homeschool College Fair](#) via our free Homeschool Guidance Counselor program this year. By visiting with our college sponsors and asking them your questions, you will receive a rebate of your registration fee. [Sign up for your TTD Rogers appointment here](#).
- ❑ If you are just starting homeschooling, we'd love to help you on your way. Sign up for our Homeschool Launch program, and we'll personally answer some of your questions in the Teacher's Lounge and take you on a mini-curriculum tour. If you visit with some of our participating brands, you'll be eligible to receive a complete rebate for your registration fee-- and you'll get some GREAT information as you are kicking off your homeschool career. [Get more details and sign up for an appointment with our counselors at TTD Rogers here](#), and we'll send you even more details in the days ahead.
- ❑ [Join](#) your Teach Them Diligently Facebook group for your event. (On these groups we post news specific to the event, post special deals from our sponsors, and you will be able to meet other homeschoolers near you.)
- ❑ Consider additional activities for your children—You can add them to your registration at any time (this year, Teach Them Diligently is offering a Children's

Program and a Teen Program, Get full details on what is offered when you [check the website](#)).

- ❑ Be watching for details about the Teach Them Diligently App for your smart device. (We'll let you know as soon as it's ready.)
- ❑ Make a preliminary budget/list of needs to help guide you through the Exhibit Hall (the [lists on our website](#) will give you a great idea of what companies and resources you will be able to find there).
- ❑ Check out the speaking schedule and mark the sessions you are most interested in. [The speaking schedule can be found on the individual event pages](#). (There will be changes to the schedule likely, so double check before you come.)
- ❑ Pack your bag for the event. (For a checklist on what to pack [click here](#).)
- ❑ Line up childcare if needed, or consider what you will bring to keep your children occupied in the sessions if they aren't participating in any of the children's programming [We have a list of ideas and resources for keeping little ones occupied here](#).
