## *Make art appreciation simple and beautiful!*

Everything you need to successfully do art appreciation, all gathered into one beautiful package. Just one 15-minute lesson once a week is all it takes to cultivate within your children an appreciation for what is good, true, and beautiful.

Each portfolio includes

- 8 large, gorgeous color prints for the whole family to enjoy
- Thoughtful questions and additional information that invite discussion
- A short, interesting artist biography for all grade levels
- Book recommendations to learn more about the artist
- Step-by-step instructions, so you can open and go

*My children and I love the Picture Study Portfolios. I have looked for something like this for years. Our study of art is finally consistent and working! The neighbors probably wondered what was happening when the last package came from you and my kids started screaming, "Mom! We got Giotto!" —Danielle M.*

# YOUR SON CAN JOIN THE ADVENTURE

## Trail Life™

Adventure › Character › Leadership

Across the nation, homeschool moms and dads are discovering the power of outdoor adventure and badge-based education as their sons experience the Trail Life USA program.

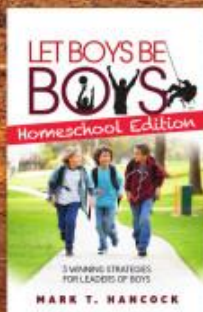

Trail Life is an experiential learning experience that provides boys with a tangible award system, terrific outdoor adventures, and significant real-world challenge. As boys take the lead in planning and executing weekly Troop meetings, adventure trips, and service projects in their community they grow in character and discover their gifts and abilities.

Discover what 30,000+ members (and homeschool dads and sons in all 50 states!) have discovered. *Experience Trail Life!*

Find a Troop near you or start one with your homeschool community today!
