

# VOLUNTEER POSITIONS

**Teach Them Diligently Convention relies on the helpful service of our Volunteers to make the events happen. We enjoy having the opportunity to work with this group of people behind-the-scenes at each of our events. For just 8 hours of volunteer work you can get your family registration fee waived, and for 4 hours of volunteer work, will get you \$25 off (rebate does not include add-on programs or activities). All volunteer time can be split amongst members of your family who are 13 and older.**

## REGISTRATION/CHECK-IN TABLES

Thursday and Friday

Volunteers that help with the registration/check-in tables can expect to greet families, help stuff bags, be traffic control for the check-in line, and give them their registration packet. You will be working with others, helping with passing out bags, etc. You will likely be the first face that people are greeted by when they arrive at TTD, so smiles and friendly quick service are essential.

## EXHIBITOR SETUP

Wednesday, Thursday, and Saturday (Just Thursday in Round Rock, TX)

If you volunteer for exhibitor setup, your responsibilities will be to assist exhibitors who need help with unloading, setting up their booth, being a "runner" if they have a need or a question for TTD staff, and putting trash/empty boxes/pallets in the aisles so that our setup crew can come through and clean up easily. There are usually lulls during setup, so there will be chances for quick breaks, but you will be expected to make constant rounds to catch any new exhibitors that have signed in and need assistance. This job is labor-intensive and best for people who are comfortable with heavy-lifting and being active during their shift. You should also be outgoing enough to approach exhibitors and offer your assistance. In Pigeon Forge, TN we will also need help Wednesday and Saturday during our load in/out times to help direct traffic and make sure exhibitors are moving their vehicle in a timely manner!

## CHILDREN'S PROGRAM

Friday & Saturday

This position is typically reserved for responsible teens, and requires their assistance for the entirety of the program (Friday and Saturday from usually about 9 a.m.–6 p.m., with a break for lunch with their family). Volunteers will not be put in a leadership role, but will be assigned to a group as an assistant throughout the program. Volunteers that are 18+ will need to have a background check run before being approved to serve.

We appreciate your willingness to serve and look forward to working with you!
