

Ambassador Positions

Teach Them Diligently Convention relies on the helpful service of our ambassadors to make the events happen. We enjoy having the opportunity to work with this group of people behind-the-scenes at each of our events. For just 8 hours of ambassador work you can get your family registration fee waived, and for 4 hours of volunteer work, will get you \$25 off (rebate does not include add-on programs or activities). All time can be split amongst members of your family who are 13 and older.

REGISTRATION/CHECK-IN TABLES

Thursday and Friday

Ambassadors who help with the registration/check-in tables can expect to greet families, help stuff bags, be traffic control for the check-in line, and give them their registration packet. You will be working with others, helping with passing out bags, etc. You will likely be the first face that people are greeted by when they arrive at TTD, so smiles and friendly quick service are essential.

EXHIBITOR SETUP

Wednesday and Thursday

For exhibitor setup, your responsibilities will be to assist exhibitors who need help with unloading, setting up their booth, being a “runner” if they have a need or a question for TTD staff, and putting trash/empty boxes/ pallets in the aisles so that our setup crew can come through and clean up easily.

CHILDREN’S PROGRAM

Friday & Saturday

This position is typically reserved for responsible teens, and requires their assistance for the entirety of the program (Friday and Saturday from usually about 9 a.m.–6 p.m., with a break for lunch with their family). Ambassadors will not be put in a leadership role but will be assigned to a group as an assistant throughout the program. Volunteers who are 18+ will need to have a background check run before being approved to serve.
